

Cranberry Products, Inc.

Cranberry Paste

Infused tart cranberries are blended with sugar and a touch of glycerin and food starch for ideal body and texture. The paste is loaded with cranberry particulate for great flavor and visual impact.

A rich, dark red cranberry paste with sweet-tart flavor, Decas Cranberry Paste retains the cranberry's healthy nutrient profile of the highest antioxidant content of any fruit.

Originally developed solely for use in baked goods, cranberry paste has been recognized as a versatile product for chefs, inspiring applications in many more menu categories.

Processed in Massachusetts from North American cranberries.
